## **Introduction**

I started dealing with drumming in 1988 and have been playing in bands since 1991. In the past few years I have represented and acquired many styles (Jazz, Blues, Big Band, Pop, Rock, Dixieland, Latin, Folk, World Music, Fusion, etc.) I have also spent years on cruises, therefore I have gained much experience playing in party and show bands. Due to this, I can write and read music at sight.

Drumming means humility, dedication and challenge to me so I find it important to practice on a daily basis in order to prove my best.
